Sir:

In reviewing the file subsequently to receipt of the Notice of Allowance and Fee(s) Due dated August 4, 2010, Applicant observed that U.S. Patent Application Publication No. 2002/0040835, which was applied by the Examiner in a rejection dated June 30, 2008 during the prosecution of the pending application, was not formally cited by the Examiner on a PTOL-892 Form. Applicant contacted the Examiner, who suggested that Applicant submit a completion of record with a PTOL-1449 Form for the Examiner to confirm her consideration of the same. Accordingly, Applicant submits herewith a PTOL-1449 Form for the Examiner to confirm consideration of U.S. Patent Application Publication No. 2002/0040835.

As the Examiner has already considered the document, Applicant submits that no fees are necessary to consider this paper. However, should any fees be deemed necessary to consider the attached document, the undersigned authorizes the charging of any such fees to Deposit Account No. 19 - 0089.

Should there be any questions with regard to this submission, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,  
Niculo STEINRISSER
